

Booth Leaderboard: design options

Same app, same features, two looks. Which one do you prefer?

OPTION A

Terminal (recommended)

OPTION B

Pixel / arcade

Each page shows one screen: Option A on top, Option B below.

Landing page

OPTION A Terminal (recommended)

B1NARY BRA1NS

Booth challenge leaderboard · runs 100% offline on this laptop

Projector display | Staff control panel

Open both in the same browser. Drag the display window onto the projector and press F for fullscreen, then click it once to turn on sound. Points added in the control panel show up on the display instantly.

OPTION B Pixel / arcade

B1NARY BRA1NS

Booth challenge leaderboard · runs 100% offline

Press start

Projector display | Staff control panel

Open both in the same browser. Drag the display onto the projector and press **F** for fullscreen, then click it once to turn on sound. Points added in the staff panel appear on the display instantly.

Projector: before the first point
